Offender Adams is a 6'02", 185 lbs, forty-five (45) year, white male in G2 custody, serving a four (4) year sentence for Driving While Intoxicated out of Wise County.

Summary: On August 03, 2012, at approximately 1805 hours, Correctional Officer III Staycee Gibson, assigned to the B1 Building Control, was notified by an unidentified offender, via the dorm intercom, in B building 1 dorm that the offender housed in B1-09 bunk required medical assistance. Officer Gibson, via the building intercom, requested that Correctional Officer V Damian Clark, who was assigned as the B1 Building Rover to proceed to 1 dorm. Officer Gibson initiated the Incident Command System (I.C.S.), which included a request for a supervisor, medical staff, and a gurney.

Officer Clark entered 1 Dorm and observed offender Adams lying on B1-09 bunk having what appeared to be a seizure, in that offender Adams was "twitching" and his breathing was labored. Offender Adams skin was hot to the touch. Offender Adams was not responsive to Officer Clark's questions. Officer Clark remained with the offender until Sergeant Michael Black arrived on scene. Medical Staff arrived on the building and offender Adams was placed on a gurney and offender Adams was escorted to the unit medical department.

An examination was conducted by Licensed Vocational Nurse Cynthia Wilbanks. An internal temperature was taken and the thermometer registered offender Adams core temperature as 109.9 degrees Fahrenheit (°F). Nurse Wilbanks immediately called 911 and requested an ambulance to respond to the Gurney unit. Offender Adams was covered with ice packs in an attempt to bring his temperature down. At approximately 1825 hours the ambulance arrived at the Gurney unit and the Emergency Medical Services (E.M.S.) staff began administering medical attention to offender Adams. At approximately 1845 hours the ambulance departed the Gurney unit in route to Palestine Regional Medical Center (P.R.M.C.). Upon arriving at P.R.M.C., a follow-up assessment was conducted and offender Adams was placed on life support with a preliminary diagnosis of heat stroke. The decision was made to transport offender Adams to East Texas Medical Center (E.T.M.C.), via a Life Flight Helicopter. At approximately 2220 hours, the flight arrived at E.T.M.C. and offender Adams was assigned to the intensive care unit (I.C.U.) room #2262. Offender Adams remained on life support. Extensive medical procedures, such blood and plasma replacement therapies were initiated; however, offender Adams continued to deteriorate.

On August 04, 2012, at approximately 1741 hours, Doctor David Jones, M.D., pronounced offender Adams deceased. The cause of death is pending the results of the autopsy. Correctional Officer V Thelma Rodriguez and Correctional Officer V Billy McClaine were maintaining security at the time of the offender's death. At approximately 1808 hours, Senior Warden Reginald Goings was notified of the death. At approximately 1813 hours, Office of the Inspector General (O.I.G.), Investigator Mark Owens, was contacted. Investigator Owens proceeded to E.T.M.C. and initiated a preliminary investigation, with assigned case number #2012-02955. At approximately 1823 hours, Justice of the Peace Mitch Shamburger, in consultation with Dr. Jones, concurred with the death pronouncement. At approximately 2050 hours Lieutenant Terry Bagley arrived at E.T.M.C. and took photographs of the offender and remained to ensure Agency policy regarding the handling of deceased offenders was adhered. On August 05, 2012, at approximately 0015 hours, Kevin Cole, the representative of the Carnes Funeral Home arrived at E.T.M.C. and took possession offender Adams body.

Offender Adams was issued a Styrofoam cup for his use during the process through intake. This cup was to remain with him for use during his stay at the Gurney unit. During the intake process it was noted that offender Adams had bruising to the left side of his face and a scrape on his chin. The injuries were sustained at Wise County Jail as verified by Sergeant Lance Larson, Wise County Sheriff's Office. Offender Adams did not register a comment or complaint in regards to his injuries to any staff member on the Gurney unit. Offender Adams did not report any medical conditions to staff. Offender Adams ate two (2) meals at the Gurney Unit. Once on August 02, 2012 at approximately 1625 hours and on August 03, 2012, at approximately 1649 hours. The outside air temperature at the time of this incident was 102 degrees Fahrenheit (°F) with the humidity at 38 percent for a heat index of 110 degrees °F. The dorm temperature was 91.6 degrees °F.

The next of kin, Ms Ashley Adams (daughter) was contacted twice. On August 03, 2012, at approximately 2155 hours, the first time she was contacted, it was to inform her of offender Adams condition and to authorize a visit between offender Adams and his family. A supervisor and nurses came and took him to medical. He lived in B3-03 Nickerson, all the other offender's were OK and went to chow, without any problems. All checks (well-ness) were made. I did not notice offender Adam, Rodney #1797921 in distress when chow returned and he did not complain. During count at 1720, I again did not notice any problems with offender Adams, Rodney #1797921. I was relieved at 1744 hours and did not know of a problem when we were relieved.

On August 3, 2012 while conducting the 1700 hour count I, Officer Brooke did not observe any offenders displaying any signs of discomfort nor did any offenders make any complaints of medical distress. However, at approximately 1615 hours I initiated the Incident Command System via hand held radio requesting a supervisor and medical staff to B1-building 3 dorm due to an offender appeared to be having difficulty breathing. The offender was identified as offender Nickerson, Charles #1797560. Sergeant Michael Herrington arrived to the building within minutes after the call and assumed command of the incident. Medical staff arrived shortly after Sergeant Herrington and offender Nickerson was escorted by wheelchair from the building.

At no time did offender Adams, Rodney 1797921 make any medical complaints to me nor did I observe him having any signs of medical distress while assigned as the B1-building Rover.

Subject Adams, Rodney Gerald # 1797921

Offender Adams, Rodney Gerald TDCJ-ID # 1797921 arrived on the Joe F. Gurney Unit from Wise County on August 02, 2012. On August 03, 2012 I departed the unit at approximately 1800 hours and returned to the unit at approximately 1915 hours after being notified offender Adams had been transported from the unit by ambulance with a body core temperature of 109 degrees at approximately 1845 hours. I was also informed that offender Adams was placed on life support at approximately 1920 hours. I proceeded to the Offender Records Office where I tried to locate offender Adams travel card. I was unable to locate any information on offender Adams. I checked offenders Adams' UCR screens and was able to determine that he was sentenced from county 249. I could not find a county listing readily available in offender records. Lt. Shane Crutcher was able to assist me and identified Wise County as county number 249. I initiated the rotation of newly received offenders assigned to B1 and B2 buildings in the education department by bringing every offender in B-1 building to education in the air-conditioning. Ice water was made available to all the offenders.

No person on duty at this time of day has internet access. I contacted Chaplain Thomas Taylor at approximately 1945 hours by telephone and informed him of the situation. I explained to him I could not locate a travel card on the offender and there was no information available on the UCR classification screens. Chaplain Taylor went on-line and gave me 940-627-5971 as the phone number to the Wise County Sheriff's Office. I called the number and spoke to Officer Basham, Wise County Jailer, who provided me with the name and address of offender Adams' mother as on file with the Sheriff's Office. Next of Kin on record is:

Wanda Adams (mother)
201 Chisolm Hill Drive
Rhone, TX 767078
Ph: 940-353-9526

I notified Warden Goings of the status at approximately 2135 hours and Warden Sperry at 2138 hours. Chaplain Taylor notified me that he made contact with Wanda Adams at approximately 2140 hours. At approximately 2155 hours Chaplain Taylor notified me that there was a new next of kin. She was identified as Ashley Adams, a 22 year old daughter-- phone # 940-368-8985. I departed the unit at approximately 2245 hours with no change in offender Adams status.

On Thursday, August 2, 2012 Offender Adams, Rodney Gerald TDCJ #1797921 was received with the incoming chain for that afternoon. Offender Adams was processed in the Photo & ID department which included having his mugshot photograph taken for use in making a permanent ID card. Offender Adams had his picture taken and a temporary paper ID was printed. It was noted at this time that Offender Adams had a bandaid on his face which showed up in the photograph. Offender Adams was brought back into the Photo & ID office and was rephotographed without the bandaid. The bandaid was to the left of his left eye in the left temple area. Offender Adams made the remark that he had forgotten that the bandaid was there as it had been on his face for three (3) days. The temporary ID photograph was printed and given to the offender. The permanent ID card was processed and activated for commissary use as usual. It was not given to the offender as Offender Adams was already off the unit when he would have been scheduled to receive the ID card.

 Death of Offender

Subject ADAMS, RODNEY #1797921

On August 4, 2012 at 1750 hrs Gurney Unit Offender Adams, Rodney # 1797921 passed away at East Texas Medical Center Tyler. Following is the scenario of events as they happened pertaining to me as the Chaplain on the Gurney Unit. On August 3, 2012 @ 1945 hrs Captain Mike Graham notified me that Offender Adams was being transported to ETMC Tyler, but, he had no family information for him. I began a search for information and found Offender had come to us from Wise County and proceeded to get the Wise County Sheriff Dept. information from the Internet. Before I actually called the Sheriff Dept., I was notified of the Offender's emergency contact by Lieutenant Dawkins @ 2125 hrs. At 2130 hrs I was asked to notify emergency contact of Offender Adams' condition and where he was. I called Offender's emergency contact Mrs. Wanda Adams his mother and found the Offender had an adult daughter, Ashley Adams, who was his next of kin. The Offender's mother was very emotional and said she had tried to tell someone her son was very sick when at county, but no one would listen. At 2155 hrs the next of kin, Offender's daughter, Ashley Adams called me back for details. I gave her information concerning her father and told her the warden had granted permission for her to see the Offender. Ms. Ashley Adams said they were leaving to go to Tyler at that time. On August 4, @ 0600 hrs I called Lieutenant Crutcher for an update on the Offender; Lieutenant Crutcher informed me that the family had been to see the Offender and had now returned home. At 1125 hrs Lieutenant Bagley called me with an update; the Offender was not doing well and he would stay in touch. At 1420 hrs I received another update and nothing had changed. On August 4, 2012 @ 1825 hrs I was notified by Lieutenant Bagley that Offender Adams had been pronounced dead at 1750 hrs and I should notify the next of kin. At 1830 hrs I notified next of kin, Ashley Adams, of her father's decease. After offering condolences and prayer, I asked if she objected to an autopsy. Ms. Adams informed me that she did not object to an autopsy and that the family **will claim** the body for burial. I then gave Ashley Adams, offender's daughter, the telephone number to Carnes Funeral Home and informed her that she would need to contact them for all further arrangements concerning the body.

Dear MS. ADAMS

Re: # 01797921

It is with the deepest sympathy I write this letter and I know I express the feelings of the administrative personnel at this institution. I experienced from each a sense of hurt and loss at your love one's death. I am sure that the same sense of hurt must be stronger among you who loved him in a special way and knew him better than our staff.

It is customary that the body of any person who dies within the Texas Department of Criminal Justice, Institutional Division, Gurney Unit, will be handled by the Carnes Funeral Home in Texas City, Texas. You may claim or inquire about the body by contacting the Carnes Funeral Home at (855) 262-8325.

I had also discussed the disposition of any property offender Adams may have had here. As you are aware Mr. Adams arrived on our Unit on August 2. He had no property with him and he acquired none, since he was only here part of two days.

Please know that you and your family are in my prayers.
